

## Types of Graphic Organizers for Reading

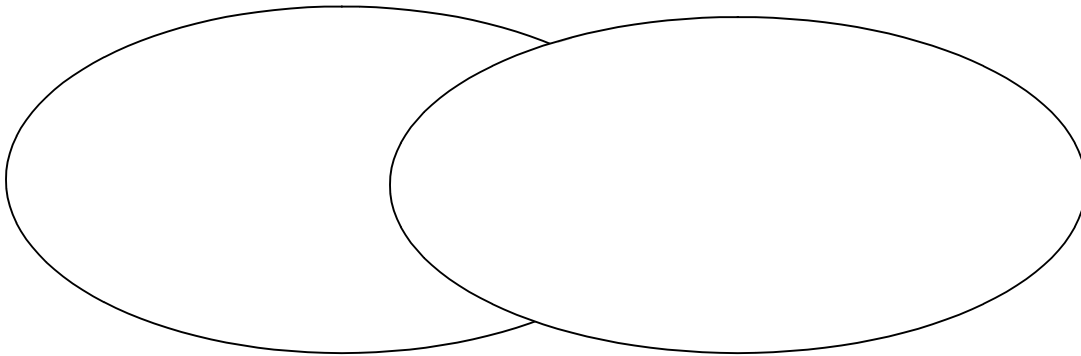

### SEQUENCE OF EVENTS

Read the chart below. It shows the order in which some of the events happen in the story. Which of these belongs in the empty box? (Three boxes have events. One box is empty.)

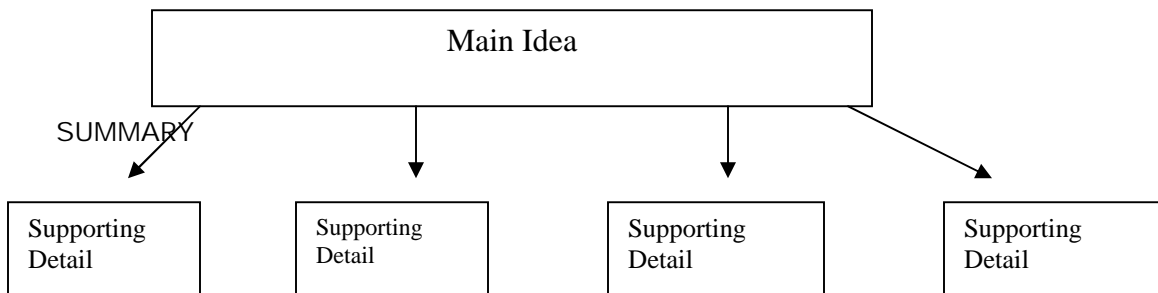

### VENN DIAGRAM

Look at the diagram. It tells about \_\_\_\_\_. Which of these belongs in the empty blanks? (Outside circles contrast. Inside circle compares. Information in each circle. One bullet point and line left blank.)

### MAIN IDEA AND SUPPORTING DETAILS

Look at the chart below. Which of these belongs in the empty box?

**SUMMARY** - Read the first sentence of the summary below. Which of the following best completes the summary? (Variation: A student began the summary below. Read it and answer the question that follows. Which group of sentences best completes the summary above?)

<p>Summary</p>
----------------

**CAUSE – EFFECT**

Read the list below. Then answer the following question. Which of the following best completes the list?

<p>Possible Causes of ____</p> <ul style="list-style-type: none"><li>• First cause</li><li>• Second cause</li><li>• _____</li></ul>
---

**TIME LINE**

Look at the time line about \_\_\_\_\_. Then answer the question. Which of the following events belongs in the empty box? (Three of the boxes have a stated event for the time line. One of the boxes is empty.)
