

Types of Graphic Organizers for Reading II

SEQUENCE OF EVENTS

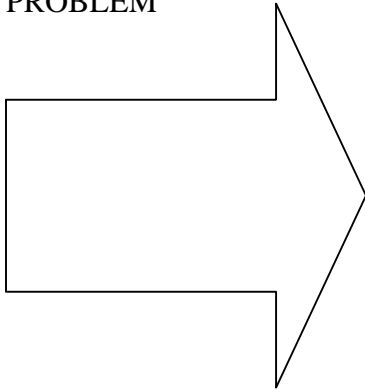

Read the chart of events. Which of the following best completes the chart?

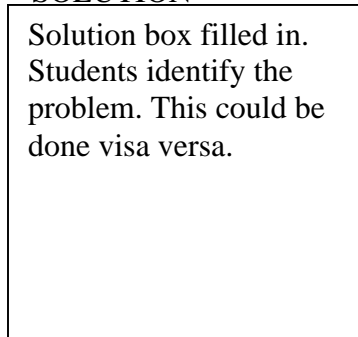

PROBLEM-SOLUTION

Read the diagram of information from the story to answer the next question. Which of the following should go in the empty box?

PROBLEM

SOLUTION

MAIN IDEA / SUPPORTING DETAILS (WEB)

Look at this web of information. Which detail belongs in the empty circle? (The middle circle has the main idea. Two of the outer circles have supporting details. One outer circle is empty.)
